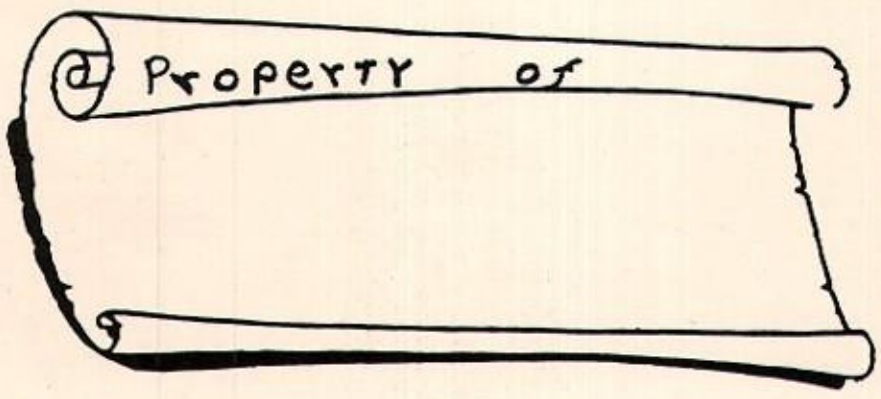
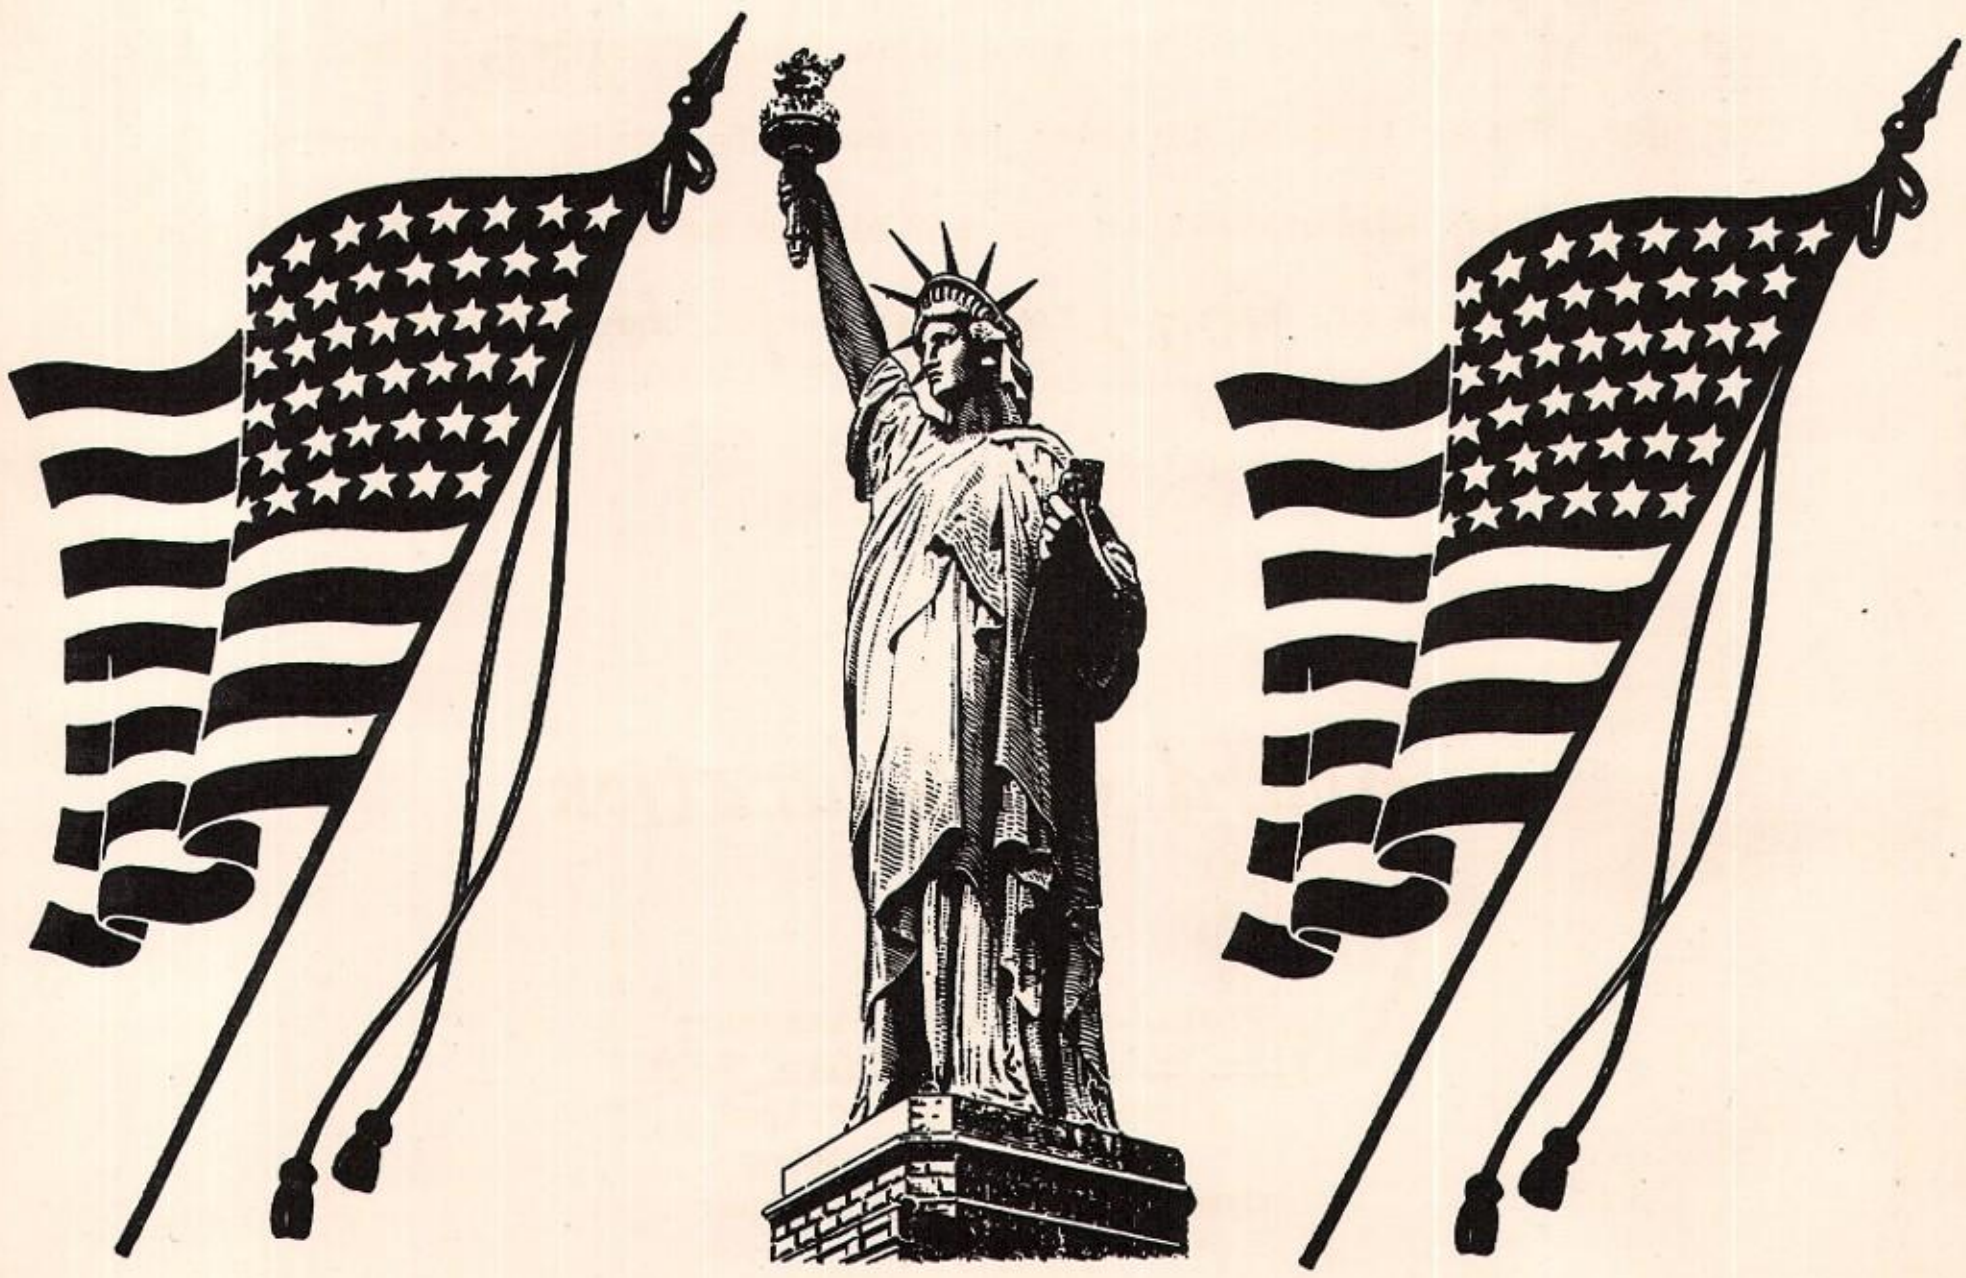
Mulhall High School



Dedication

We, the class of 1952, do gratefully dedicate this, our yearbook, to all the boys of our school and community who are now in the Armed Service of our Country and those of this year's class who will soon be serving their Country.



Administration

Oliver Hardin

J. A. Stringer

The administration of Mulhall High School is under the supervision of Oliver Hardin, who is serving his first year in that capacity. He is assisted in his work by a very good highschool principal, Mr. J. A. Stringer, who in turn is assisted by a wonderful group of teachers.

The fine administration of schools is made possible through the fine co-operation of: parents, teachers, school board, and community.

CLASS HISTORY

Going back twelve years, we find twenty-five pair of unwilling little feet treading to school to face the great unknown. Of this group, four have attended Mulhall all twelve years. They are: Delma Shafer, Harold Lewis, Robert Andrews, and Paul Yost.

Somehow we managed to finish gradeschool and once again were ready to face a new experience, that of attending high-school. We started our Freshman year with fourteen members and had as our sponsor, Miss Rachel Rundell. We held our class party, a weiner roast, just north of Mulhall.

During our sophomore year we had as our sponsor, Mrs. Swanson. For our class party we had a picnic and went skating at Crescent.

Our Junior year was quite busy. We presented as our play "Loving Enemies" which was a huge success. We, also sponsored the Junior-Senior party which included a picnic and picture show.

Our final year, one of our busiest, came all too soon, although we did like the idea of graduating. We sponsored the Saturday night picture shows, took part in the carnival, and sponsored a box supper to raise money for our trip to Galveston. Our Senior play, "Lady Be Good", was also a great boast to our class funds. Greatly enjoyed by all, was the skating party given us by the Junior Class held April 11.

Baccaloureate services were held April 27. As our class night play we presented "Hi Flyers". At last, the eventful night of May 2, arrived when we gathered to receive those cherished diplomas.

Then on May 10, we left for sunny Galveston for the trip so long awaited by all of us.
